Who can participate?
14-18 years old
Normal speech, language and hearing
Has learned English as a second language

What’s involved?
If your child is eligible, he/she will use our interactive software to help us examine children’s oral reading. Three sessions 60-90 minutes long.

Where & Why?
Visit our lab at 70 Forsyth Street, Boston Park for FREE, next to the lab. REceive $60 for participating. Our goal is to improve oral reading fluency.

You can help us!

To be involved, call 617-373-5951 or email: cadlab.neu@gmail.com
